GENERAL INFORMATION

Classification, squadding and cashing will be using the SOS Clays software. Entry tickets will no longer be used. Those presquadding will be able to proceed directly from classification to cashing. Squadding will be available throughout each day.

A meeting to elect the ATA delegate and alternates will be held on Sunday following the doubles.

Those shooters selecting targets only to avoid penalty yardage will not be eligible for trophies or added money.

The management reserves the right to refuse any entry, change the program or adjust the traps at any time, as needed.

Payoff for Friday's Events will be on Saturday following the first 100 and Saturday's event will be on Sunday following the doubles. Pay-off for Sunday's events will be by check.

The resident RU (events 4, 5 & 6) takes precedent in his or her class or yardage group for added money.

Singles and handicap events will be conducted over 5 two-trap banks. Doubles events will be conducted over 8 fields. Banks will NOT be randomized. Management reserves the right to use a 10-per-post system if attendance warrants.

Entries are final. No changes or refunds will be allowed unless significant extenuating circumstances exist.

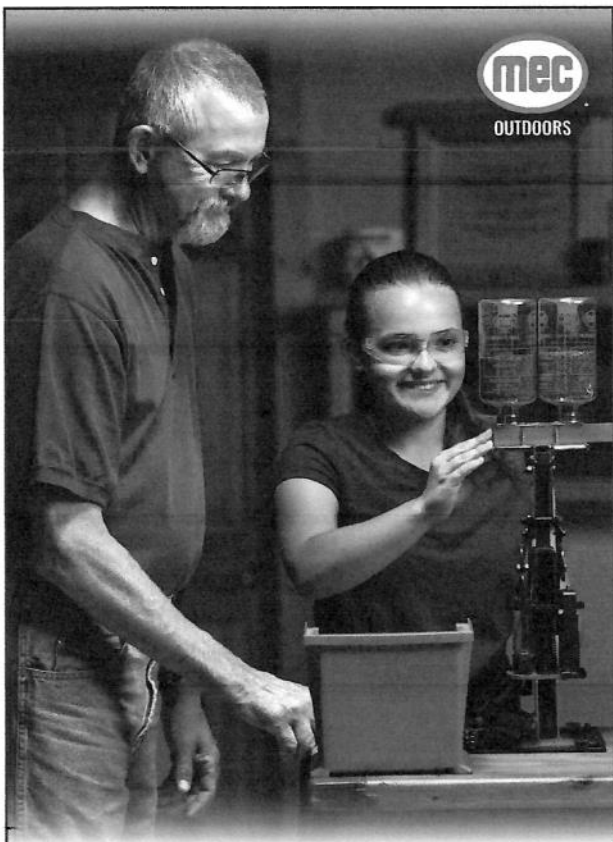

It is the shooter's responsibility to check his or her scores on the score sheets as well as the scoreboard. Once purses and options are figured, they will not be changed for scoreboard errors. Scores will be corrected for reporting purposes.

Free targets for Resident Juniors and Sub-Juniors in Event 4 when purses and options are not played.

If shoot-offs cannot be held or must be terminated, a winner will be determined by reverse long run. For HOA and HAA,, total event scores will be used in reverse order.

The 2023 ATA refund amounts to \$814.00.

This is to certify that Minute Man Sportsman's Club has been authorized to hold a registered shoot July 28 - July 30, 2023 at Burlington, MA. ATA rules will govern the shoot and the scores will become part of the official records.
